

Bidding Participation Summary

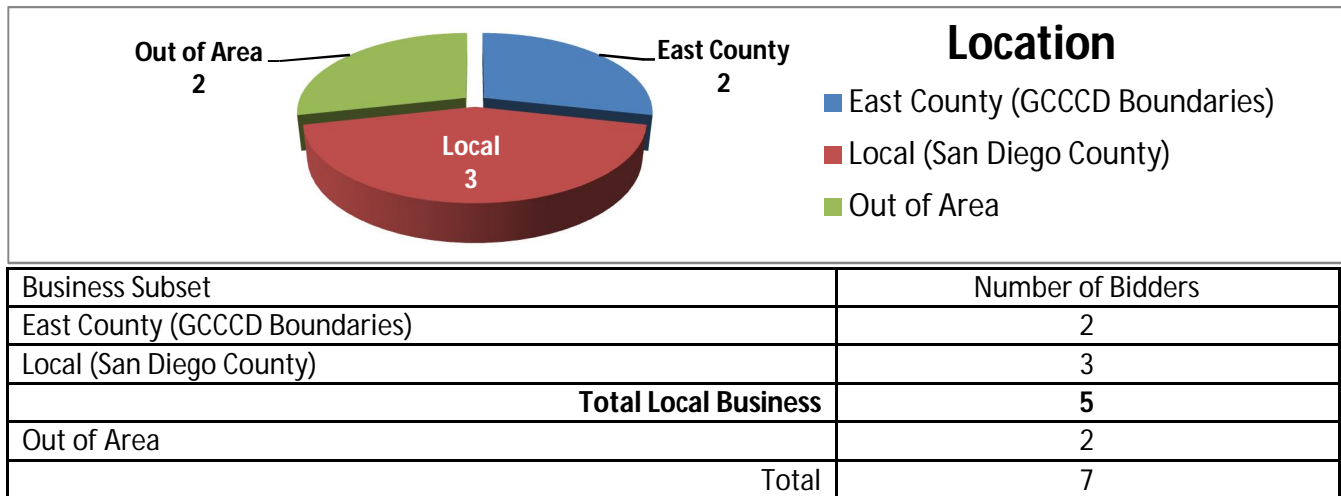

Districtwide Site Lighting and Controls Upgrade

January 31, 2014

Of the seven respondents in the bid pool, four of them are verified small/underutilized businesses which represents 57% of bidders. Two of the firms possess multiple certifications. For these two firms, the certification reported below is for the category with the most challenging participation. Fuller Electric, for example, is certified as a Small Business Enterprise (SBE), a Disadvantaged Business Enterprise (DBE) and a Minority Business Enterprise (MBE). Of these, the DBE certification is the most rigorous to obtain, so for the purposes of this summary, Fuller is being reported as a DBE. There were no certified Women-owned Business Enterprises (WBE) or Disabled Veteran Business Enterprises (DVBE) in the bidding pool.

Of these same seven bidders, five are local firms with businesses located within San Diego County, and two of these are considered to be East County firms since these businesses are located within the District's boundaries.

The value of the submitted bid ranged from \$1.5 million to \$2.6 million.
