

GROSSMONT-CUYAMACA COMMUNITY COLLEGE DISTRICT

CAPITAL PROJECTS UPDATE –December 2020

Cuyamaca College Ornamental Horticulture Complex and Building M Renovation

Nursery/Sales Office

The project includes renovation of the existing Ornamental Horticulture complex. The project will provide classrooms, new greenhouses, outdoor instructional spaces, and storage buildings. In addition to the new facilities, the laboratory building (Building M) will be renovated along with the stand-alone restroom. **Update:** At the nursery/sales office, flooring installation is ongoing. At Bldg. M, countertop installation continues. At the shade structure, finish electrical installation has commenced. At the greenhouse, below slab utilities installation is underway.

Cuyamaca College Student Services Building

The Cuyamaca College Student Services Building will house Counseling, Financial Aid, Admissions, DSPS, EOPS, CalWORKS and other student services programs. Exterior site improvements include student drop-off lane, 'Flag Circle,' and ADA compliant pathways across the Grand Lawn. **Update:** The staff parking lot is closed and construction site fencing was installed. Trees were removed and grubbing is complete on the Grand Lawn. Grading is underway.

Grossmont College Phase 2 Science, Math & Career Tech Complex Building 36-Hazmat and Demolition

This project includes demolishing existing Buildings 36, 37, 38B, and removal of 38C. **Update:** Demolition and abatement is complete.

Grossmont College Phase 2 Science, Math & Career Tech Complex Building 36-New Building

Phase 2 of the Math, Science, Veterans and Career Tech complex includes the construction of a new two-story building of approximately 59,000 GSF. The first-floor building functions will include a new Veterans space with storage below, Math Computer Lab, Conference Rooms, Physical Geography and Oceanography, Human Geography and Social Sciences, Geology, workroom, Tech office, and a shared classroom. The second-floor level will include a Tutoring Center, Math offices, Adjunct offices Lobby, Math Classrooms and classroom for Anthropology balconies and an observation deck at the west end. **Update:** The project bid opening was held, and bids are under review. Construction is anticipated to commence in February 2021.
